6. **Extended Notice Requirements.** If the Association's rules require a longer notice period for a Board meeting, the longer notice requirement will apply.
7. **Action Taken Outside of an Open Meeting.** A Board may take action outside of a meeting, including voting by electronic and telephonic means, without prior notice to

**POOL FENCING AND SECURITY DEVICES/FENCES**

**VALLEY RANCH COMMUNITY OWNERS ASSOCIATION, INC.**

Terms used in this policy, but not defined, shall have the same meaning subscribed to such terms in that certain Valley Ranch Amended and Restated Master Covenant, recorded as Document No. 20170028837, Official Public Records of Bexar County, Texas, as amended (the "Covenant").

1. **Approval Required.** All improvements, including the installation of pool fencing, security measures, and security fencing, must be submitted for approval in accordance with *Article 6* of the Covenant. Written approval must be furnished to the Owner before installation or construction may commence.
2. **Swimming Pool Enclosures.** The term "swimming pool enclosure" means a fence surrounding a water feature, including a swimming pool or spa, consisting of transparent mesh or clear panels set in metal frames, is not more than six feet in height and is designed not to be climbable. An Owner must submit any request to install a swimming pool enclosure in accordance with *Article 6* of the Covenant for approval. The party exercising architectural control authority pursuant to *Article 6* of the Covenant will apply its architectural requirements to the request; however, the Association may not deny an Owner's request to install a swimming pool enclosure if the swimming pool enclosure conforms to Applicable Law or local safety requirements and the swimming pool enclosure is black in color and consists of transparent mesh set in metal frames
3. **Security Measures.** To the extent an Owner is authorized by law to build or install security measures, including, but not limited to, a security camera, motion detector, or security/perimeter fencing, the Owner must still submit a request for architectural approval in accordance with *Article 6* of the Covenant for the construction or installation of the improvements. Front yard fencing is discouraged. However, if an Owner wishes to install security fencing in the front yard, the fencing must consist of ornamental wrought iron or metal fencing (painted black) with the following general specifications: Pickets  $\frac{3}{4}$ " square; Rails  $1\frac{1}{2}$ " square; Standard Posts  $2\frac{1}{2}$ " square; Picket Spacing between 3" and 4"; Post Spacing 8' OC; Height between 48" and 60". Slats, planks, or other solid material may not be installed on metal fencing.

**TAB D**

**DELINQUENT ASSESSMENT NOTICE REQUIREMENTS**  
**[SUPPLEMENT TO THE ASSOCIATION'S COLLECTION POLICY]**

**VALLEY RANCH COMMUNITY OWNERS ASSOCIATION, INC.**

Terms used in this policy, but not defined, shall have the same meaning subscribed to such terms in that certain Valley Ranch Amended and Restated Master Covenant, recorded as Document No. 20170028837, Official Public Records of Bexar County, Texas, as amended (the "Covenant").

**Background.** Sections 209.006, 209.0063, and 209.0064 of the Property Code have been amended to require an Association to afford an owner a minimum period of 45 days to cure the delinquency and impose additional restrictions on the Association's ability to report the delinquency to a credit reporting service. In particular, this Delinquent Assessment Notice Requirements Policy *supplements* the Association's existing assessment collection policies and procedures to (a) extend the cure opportunity to 45 days; (b) to require notice and an opportunity to cure in the event the Association decides to notify any credit reporting service of the owner's delinquency; and (c) to incorporate the new requirement that certain fees or charges be "reasonable."

1. **45-Day Deadline to Cure.** For any delinquency, before the Association may hold an Owner liable for the fees of a collection agent or report any delinquency of an Owner to a credit reporting service, the Association or its agent must give written notice to the Owner by certified mail. The notice shall specify each delinquent amount and the total amount of the payment required to make the account current. The notice must also describe the options the Owner has to avoid having the account turned over to a collection agent, including information regarding the availability of a payment plan through the Association, and the notice must provide the Owner with a period of at least 45 days for the Owner to cure the delinquency before further collection action is taken.
2. **Credit Reporting.** If the Association reports any delinquency, including delinquent fines, fees, or assessments, to a credit reporting service, the Association must first send the owner, via certified mail, hand delivery, or electronic delivery, a notice that includes:
  - (a) a detailed report of all delinquent charges owed; and
  - (b) information about the opportunity to enter into a payment plan.

Notice of the intent to report the delinquency may be combined with the 45-day notice set forth in *Paragraph 2* above. The Association or its agent may not report any delinquent fines, fees, or assessments to a credit reporting service that are the subject of

a pending dispute between the Owner and the Association. In addition to the foregoing requirements, the notice must be sent at least 30 business days before the report is made. No fee may be charged back to the Owner for the cost of the actual reporting of the delinquency to the credit reporting service.

3. **Application of Payments.** Any payment made by an Owner who is not in default under a payment plan shall be applied to Owner's debt in the following order of priority:

- (a) any delinquent assessment;
- (b) any current assessment;
- (c) any reasonable attorney's fees or reasonable third-party collection costs incurred by the Association associated solely with assessments or any other charge that could provide the basis for foreclosure;
- (d) any reasonable attorney's fees incurred by the Association that are not subject to the preceding provision (Paragraph 3(c));
- (e) any reasonable fines assessed by the Association; and
- (f) any other reasonable amount owed to the Association.

If at the time the Association receives a payment from an Owner, and the Owner is in default under a payment plan entered into with the Association, then the Association is not required to apply the payment in the order of priority specified above; and, in applying the payment, a fine assessed by the Association may not be given priority over any other amount owed to the Association.

4. **Amendment.** This policy may be amended by the Declarant during the Development Period and, thereafter, by a Majority of the Board.
